| 225KMH | 280KMH | 322KMH |
| 2014 | MAXIMUM REGENERATION | 2022 |
| 100KW | 250KW | 600KW |

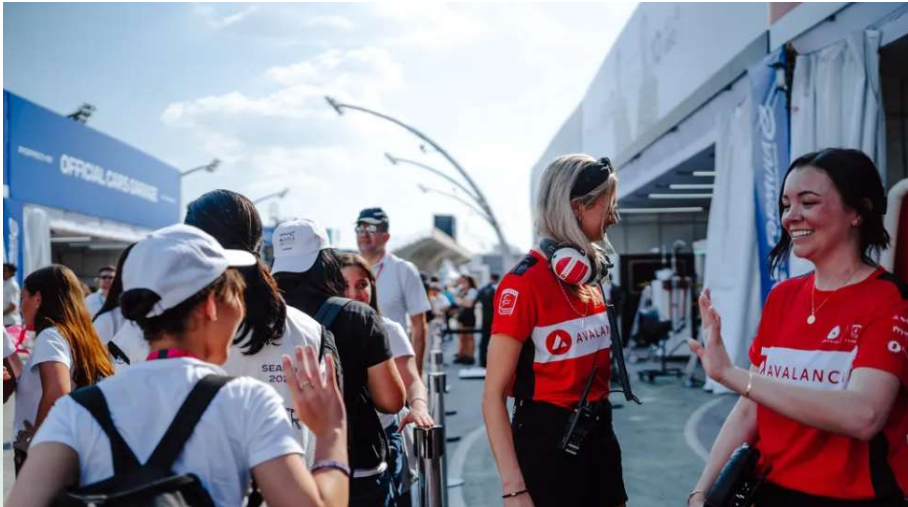

The background features a complex pattern of overlapping green hexagons and thin white lines, creating a molecular or network-like structure. The colors range from light, almost white, to a deep forest green. The overall aesthetic is clean, modern, and technical.

If everything seems under control, you're just not going fast enough.

Mario Andretti
