

PRESS RELEASE

PRYSMIAN'S LEADERSHIP TEAM COMPLETES INVESTMENT IN COMPANY SHARES

Milan, 3 June 2020 - Prysmian S.p.A. announces that — in execution of the information released to the market on 3 April 2020 and 1 June 2020 — the **Group's leadership team**, composed of Group CEO Valerio Battista and the managers directly reporting to him, has purchased 80,136 Company shares on the market, representing 0,03% of share capital, for a total of €1,538,777.

The share purchases — undertaken using a sum corresponding to approximately 50% of the net incentive accrued in respect of financial year 2019 to each manager included in the Group Leadership Team — were carried out by the appointed Financial Intermediary.

The related disclosures pursuant to Article 19 of Regulation (EU) No. 596/14 and the related implementing provisions will be made by the parties required to do so according to the terms and in the manner established by the law.

Prysmian Group is a public company with a broad shareholder base that includes also its employees. Its approximately 9,000 employee-shareholders hold over 3% of the share capital as a result of a stock ownership plan and the share-based incentive plans that the Company has implemented for some time.

Prysmian Group

Prysmian Group is world leader in the energy and telecom cables and systems industry. With almost 140 years of experience, sales of over €11 billion, about 29,000 employees in over 50 countries and 106 plants, the Group is strongly positioned in high-tech markets and offers the widest possible range of products, services, technologies and know-how. It operates in the businesses of underground and submarine cables and systems for power transmission and distribution, of special cables for applications in many different industries and of medium and low voltage cables for the construction and infrastructure sectors. For the telecommunications industry, the Group manufactures cables and accessories for voice, video and data transmission, offering a comprehensive range of optical fibres, optical and copper cables and connectivity systems. Prysmian is a public company, listed on the Italian Stock Exchange in the FTSE MIB index.
