

PRESS RELEASE

CALENDAR OF CORPORATE EVENTS YEAR 2025

Milan, 5 November 2024 – Prysmian S.p.A. announces the dates scheduled during 2025 for the Board of Directors to review and disclose its financial results.

It is reminded that Prysmian has decided to approve and publish periodic financial information, in addition to annual and half-yearly financial reports. Such additional information will be referred to the end of the first (March 31st) and the third (September 30th) quarter of the year, and it will be disclosed to the public consistently with its practice to date, before the deletion of the requirement for issuers to publish interim management statements. More precisely, the approval and publication of additional periodic financial reports, will occur within 45 days from the end of each relevant quarter.

Conference calls for the presentation of financial results will be held on the day following the respective Board of Directors' meeting, and will be preceded by the dissemination of the relevant press release, as per the following calendar:

<i>Integrated Annual Report (Consolidated financial statements and draft financial statements)</i>	Meeting of the Board of Directors - 26 February 2025 Press release and conference call - 27 February 2025
<i>First quarter results*</i>	Meeting of the Board of Directors - 7 May 2025 Press release and conference call - 8 May 2025
<i>Half Year results</i>	Meeting of the Board of Directors - 30 July 2025 Press release and conference call - 31 July 2025
<i>Third quarter results*</i>	Meeting of the Board of Directors - 29 October 2025 Press release and conference call - 30 October 2025

(* Additional periodic financial information pursuant to art. 82-ter of the Issuers Regulation by Consob.

The **Shareholders' Meeting** for the approval of the statutory financial statements of Prysmian S.p.A. for the year ended December 31st, 2024, will be held on **April 16th, 2025** (sole call) and the dividend detachment, if any, will be on the month of April.

The market will be in due time notified of changes to the above arrangements, if any.

Prysmian

Prysmian is a global cabling solutions provider leading the energy transition and digital transformation. By leveraging its wide geographical footprint and extensive product range, its track record of technological leadership and innovation, and a strong customer base, the company is well-placed to capitalise on its leading positions and win in new, growing markets. Prysmian's business strategy perfectly matches key market drivers by developing resilient, high-performing, sustainable and innovative cable solutions in the segments of Transmission, Power Grid, Electrification and Digital Solutions. Prysmian is a public company listed on the Italian Stock Exchange, with almost 150 years of experience, about 30,000 employees, 108 plants and 26 R&D centres in over 50 countries, and sales of over €15 billion in 2023.
