

PRESS RELEASE**CALENDAR OF CORPORATE EVENTS YEAR 2026**

Milan, November 3, 2025 – Prysmian S.p.A. announces the dates scheduled during 2026 for the Board of Directors to review and disclose its financial results.

Prysmian has decided to approve and publish periodic financial information, in addition to annual and half-yearly financial reports. Such additional information will be referred to the end of the first (March 31) and the third (September 30) quarter of the year, and it will be disclosed to the public consistent with its practice to date, before the removal of the requirement for issuers to publish interim management statements. More precisely, the approval and publication of additional periodic financial reports, will occur within 45 days from the end of each relevant quarter.

Conference calls for the presentation of financial results will be held on the day following the respective Board of Directors' meeting, and will be preceded by the dissemination of the relevant press release, as per the following calendar:

<i>Integrated Annual Report (Consolidated financial statements and draft financial statements)</i>	Meeting of the Board of Directors - February 25, 2026
	Press release and conference call - February 26, 2026
<i>First quarter results*</i>	Meeting of the Board of Directors - April 29, 2026
	Press release and conference call - April 30, 2026
<i>Half Year results</i>	Meeting of the Board of Directors - July 29, 2026
	Press release and conference call - July 30, 2026
<i>Third quarter results*</i>	Meeting of the Board of Directors - October 28, 2026
	Press release and conference call - October 29, 2026

(*) Additional periodic financial information pursuant to art. 82-ter of the Issuers Regulation by Consob.

The **Shareholders' Meeting** for the approval of the statutory financial statements of Prysmian S.p.A. for the year ending December 31, 2025, will be held on **April 16, 2026** (sole call) and the dividend payment, if any, will be in the month of April.

The market will be notified in due time should any changes to the above arrangements occur.

Prysmian

Prysmian is a global cable solutions provider leading the energy transition and digital transformation. By leveraging its wide geographical footprint and extensive product range, its track record of technological leadership and innovation, and a strong customer base, the company is well-placed to capitalize on its leading positions and win in new and growing markets. Prysmian's business strategy perfectly matches key market drivers by developing resilient, high-performing, sustainable and innovative cable solutions in the segments of Transmission, Power Grid, Electrification and Digital Solutions. Prysmian is a public company listed on the Italian Stock Exchange, with almost 150 years of experience, over 33,000 employees, 107 plants and 27 R&D centers in over 50 countries, and over €17 billion of revenues in 2024.
