

## PRESS RELEASE

**Milan, May 23, 2018** - Prysmian communicates that on May 22 the CEO of Prysmian S.p.A. Valerio Battista has sold, by means of operations on the regulated market managed by Borsa Italiana, part of the 473,299 Prysmian common stocks assigned to him under the Long Term Incentive Plan 2015-2017 (LTI) approved by the General Shareholder Meeting on April 16, 2015. These sales have occurred and will continue during the next days in order to deal with part of the financial burdens resulting from that assignment, as provided for all the participants to the LTI by the regulations governing its operation. With reference to the sale transactions carried out by the CEO and by other seven senior managers with strategic responsibilities, taking part in the LTI (three of whom are also members of the Board of Directors), there is going to be an official communication to the market according to and due to the Art.19, comma 3 of the (EU) Regulation 596/2014.

### **Prysmian Group**

Prysmian Group is world leader in the energy and telecom cable systems industry. With nearly 140 years of experience, sales of over €7.9 billion in 2017, 21,000 employees across 50 countries and 82 plants, the Group is strongly positioned in high-tech markets and offers the widest possible range of products, services, technologies and know-how. It operates in the businesses of underground and submarine cables and systems for power transmission and distribution, of special cables for applications in many different industries and of medium and low voltage cables for the construction and infrastructure sectors. For the telecommunications industry, the Group manufactures cables and accessories for voice, video and data transmission, offering a comprehensive range of optical fibres, optical and copper cables and connectivity systems. Prysmian is a public company, listed on the Italian Stock Exchange in the FTSE MIB index.
